

INTERFAITH MOMS

Interfaith Moms is for Jewish and non-Jewish moms, and Jews by Choice in interfaith families. This group meets throughout the year for dinner or a program in order to learn and socialize, with the goal of helping one another navigate the experience of an interfaith family.

INTERFAITH DADS

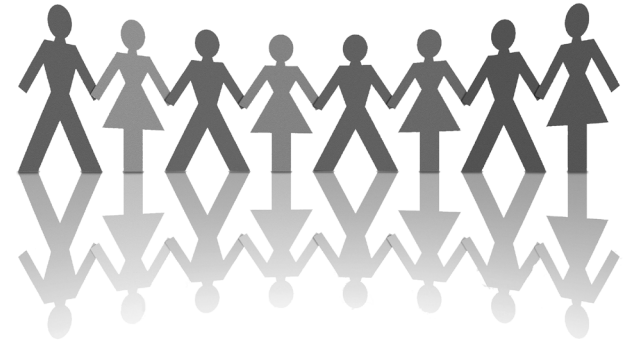

Interfaith Dads aims to create an open environment to discuss questions and concerns regarding making a Jewish home, raising Jewish children, religious differences, extended family issues, etc. All Temple Emanu-El men in interfaith relationships or with extended interfaith families are invited and encouraged to join us for some fun and good conversation!
