COVID-19 POLICY

August 25, 2021

Guided by our Jewish values and in response to the latest science, each person entering the building must:

- If eligible to be vaccinated (currently all ages 12 and older), be fully vaccinated against Covid-19;*
- Show proof of vaccination;
- If over the age of 2, wear a face mask covering nose and mouth at all times in the building;
- Maintain social distance from other congregants who are not immediate family members;
- Stay home if experiencing any symptoms of active illness; and
- Sign Our Brit: Our Covenant of Care.

Those eligible to be vaccinated but who have not yet been fully vaccinated against Covid-19 are invited and encouraged to experience Temple online.

**For Temple youth ages 12-18, the vaccination requirement does not apply to the 12 p.m. services in Olan Sanctuary for Rosh Hashanah on September 7 and Yom Kippur on September 16; to family services in Stern Chapel or to Youth Learning + Engagement.*

**Members needing an exemption from the vaccine requirement should reach out to mfried@tedallas.org*
