New Application for Test Camp 2024

In order to avoid rekeying the same family demographic information into applications for each of your students, you have the option to copy data from one application into another.

Before copying, make sure all household information is complete on the first application.

To return to a previous application to complete the data, select the application and click **Cancel**.

To copy data from an existing application, select the application to copy and click **Continue, Copy Application Data**.

If you do not want to copy data from another application, click **Continue, But Do Not Copy**.
