If Not You

By Cantor Alan Weiner

In this world who will care, if not you?
In this world who will help if not you?
In this world who will share if not you, all of you?
Tell me who in this world if not you?

Chorus:

If not you, if not you, if not you, all of you
Who will help, who will care, if not you?

When we hurt who will heal us if not you?
When we suffer who will save us if not you?
When we fall who will lift us if not you, all of you?
Tell me who in this world if not you?

Chorus

When we're wrong who will teach us if not you?
When we're lost who will lead us if not you?
From our chains who will free us if not you, all of you?
Tell me who in this world if not you?

Chorus
