Vickery Meadow Food Pantry

The Vickery Meadow Food Pantry is in need of specialty items for their clients. These items are not always available on our shelves, but when they are, they bring real joy to the families we serve. When delivering, please label the bag with the expiration date of the oldest item. Contact for drop-off: Carol Weinstein, clnewb@gmail.com

SPICE KITS

Spices are hard to find in many pantries. Some ideas for the kit include:

- Salt and Pepper
- Garlic Powder
- Onion Powder
- Cinnamon
- Chili Peppers
- Turmeric
- Ginger

KIDS' SNACKS

When kids visit the pantry, they love to be given a small bag of their favorites.

- Ziploc or brown paper bag
- Applesauce
- Chips
- Pirates Booty snacks
- Granola bars

SOUP KITS

Each kit should be put into a jar or Ziploc bag and include the ingredients needed for the recipe.

- You can find different recipes at wholefully.com/homemade-soup-mixes-in-a-jar/

BIRTHDAY CAKE PACKAGES

Everyone loves to celebrate their birthday, but some families cannot afford the ingredients.

These kits are often assembled in a 9x13 disposable aluminum pan to make them easy to use and donate.

- 1 Box of Cake Mix (15.25 oz - 18 oz)
- 1 Can of Soda (12 oz, regular or diet)
- 1 Tub of Frosting
- Extras: Sprinkles, candles, and a birthday card
- Pan: 9x13-inch disposable foil pan

POPULAR SODA AND CAKE COMBINATIONS

Using different sodas can significantly change the flavor of the cake:

- Chocolate Cake + Coca-Cola/Dr. Pepper: Creates a rich, moist chocolate cake
- Yellow/White Cake + Sprite/7Up: A classic, simple combination that tastes like a lemon-lime cake
- Lemon Cake + Sprite: Very zesty and light
- Strawberry Cake + Ginger Ale: Creates a light, fruity, slightly spicy flavor
- White Cake + Orange Soda: Tastes like an orange creamsicle
- Spice Cake + Root Beer: A unique, warm flavor profile
- White Cake + Grape Soda: A fun, vibrant "purple cow" cake

PREPARATION INSTRUCTIONS

- No Other Ingredients: Just the mix and the soda.
- Mixing: Pour the entire 12-ounce can of soda into the dry cake mix and mix well for about then 2–5 minutes .
- Baking: Pour the batter into a greased and floured pan. Bake at 350° according to the time suggested on the cake mix box.
- Serving: Let the cake cool completely before frosting.
